Pope Francis: Church Cannot Abandon Human Life

"Reason alone is sufficient to recognize the inviolable value of each single human life, but if we also look at the issue from the standpoint of faith, "every violation of the personal dignity of the human being cries out in vengeance to God and is an offence against the creator of the individual" (John Paul II, Christifideles Laici, 37). Precisely because this involves the internal consistency of our message about the value of the human person, the Church cannot be expected to change her position on this

question. I want to be completely honest in this regard. This is not something subject to alleged reforms or 'modernizations'" -- Pope Francis, Apostolic Exhortation "The Joy of the Gospel," November 24, 2013.
